

## **Inter College Dandia Competition Consolation Prize winner**

### **By Electrical Engineering Students**

The Navratri festival is celebrated in an enclosed mandap. Every year, the festival is celebrated for 9 days in the same tradition. It also forms a great platform for students from various backgrounds, to exhibit their talents through the cultural programs. The event is organized by Kunalbhai Darade Foundation in which Dandiya Competition was taken on 08/10/2022 at 11am to 5 pm and the Event Coordinator for this is Prof. Vidya Nikam Mam & Prof. Pooja Gosavi Mam. In This Competition Electrical Department Students Got Consolation Prize.
